Application for Membership of Altrincham Society of Artists

Thank you for your interest in the Altrincham Society of Artists. Please see the ASA website www.altrinchamsocietyofartists.org to get a flavour of the aims of the Society, the activities available and some of the artwork done by members of the Society. If you think the Society is suitable for you, please complete the application form below and email/ send it to the Membership Secretary at asalizfallon@gmail.com

At the same time, please email photographs of one of your recent paintings or drawings in any medium.

Simple mobile phone snapshots are absolutely fine. If you have any problems with the technology please let me know on asalizfallon@gmail.com and I will help.

I confirm that I have read the website and am aware the Society does not have the facilities to teach complete beginners and those applying should have at least some knowledge of and have acquired a skill in at least one chosen medium.

I hereby apply for membership of the ASA. I undertake to further the aims and objectives of the Society described in the Constitution (available on the ASA website) , to pay the annual subscription when it becomes due, to abide by the rules and regulations of the Society, and to help with activities when possible.

All members are expected to demonstrate a commitment to developing their skills by taking part in practical activities and supporting the interests of the society.
