Parking

Although there are **FIVE** parking spaces on the slope in front of the Studio, these are not solely for the A.S.A. They are also for the use of patrons of the Church Hall. No parking is allowed on the slope on **SUNDAYS** or **MONDAY EVENINGS**. The chapel has made the exception that on Selection Sundays members can park briefly after **1.30pm** to drop off and collect their pictures. When parking on the slope please display an A.S.A. notice on your car window, so you can be contacted to move it if required. Please be aware of the parking restrictions in Sylvan Grove during the daytime. The Parking Attendants are very vigilant!

Stewarding

Taking your turn at Stewarding on Monday Nights is a requirement of the Society, unless you are over 75 and have informed the Secretary of this fact.

The Stewards list for the forthcoming Autumn/Winter programme is usually compiled in July.

Please make a note in your diary of your Stewarding date.

Instructions and an outline of Stewarding duties are sent to members along with a list of stewards. This information can also be found in the Studio.

Annual Subscriptions

Annual subscriptions are due on 1st January. Please send your subscriptions to the Treasurer by the AGM, usually the last Tuesday in January, at the latest.
